our **Chasan Torah, Adam Sragovicz**. I am so grateful for this honor. It is a real highlight among the countless ways that the community has been so welcoming to me and my family over the past three years. We have lived in other communities, but the **Rebbetzin** and **Rabbi** have built a unique place of Torah learning and all-around menschlichkeit. We are fortunate beneficiaries of all of those years of leadership and focus. My family's love and support have helped get us here, especially my wife's encouragement and dedication to make the move to Adat. May **Hashem** grant the community a sweet and healthy new year, filled with growth, happiness, and peace. My family and I would like to wish a big mazal tov to the **Chasan Beresheis, Marty Stauber**, for his well-deserved honor.

AND BY

our **Chasan Beresheis, Marty Stauber**, with gratitude to **Hashem** for all of the blessings He has bestowed on me and my family. I am truly humbled by the honor of receiving Chasan Beresheis. I am so fortunate to have found Adat and I would like to thank the **Rabbi, Shoshie** and the entire Adat community for providing a place that I can call home. I am particularly grateful to the **Rabbi** for being my teacher, for his friendship, for his guidance, and for his patience with me. He is one of my biggest blessings. I want to wish a heartfelt mazal tov to the **Chasan Torah, Adam Sragovicz** and **his family**, for the well-deserved honor that he has received. I wish the entire Adat community a healthy, productive and rewarding new year and I look forward to our continued growth.
